

PRODUCT PHOTOGRAPHY PRICE LIST

Each photo is tailor-shot for your web content, and includes high-resolution (approximately 5-MP) files for print, as well as web-optimized images (approximately 1-MP) for website use. With our basic package, your product page will get the visual boost it needs to truly stand out from the competition.

- 5 high-resolution print images (.png format @300dpi) + 5 web-optimized images (.jpg format @72dpi)
- Product production prep (cleaning of dust, fingerprints, etc.)
- White background with natural shadow effect
- Basic Post-Production Clean-Up
- Online delivery

PRICE: \$150

SET-UP FEE

A one-time set-up fee of \$150 will be charged for five or less products. This fee will be waived for more than five products.

VOLUME DISCOUNT

A 10% discount for 10 or more products.

ADDITIONAL SERVICES/CHARGES

- Charge if product requires more than 15 minutes to assemble/disassemble from package: **\$30/hour**
- Additional shots: **\$20/photo**
- Different color background: **\$10/photo**
- CD delivery: **\$10**
- Customized Post-Production Work: **\$125/hour**

****Note:** Any additional shots needed or background color preference must be specified before the start of shoot. The return of photographed items will be at the expense of the vendor. Shipment costs of product will be determined upon receipt of the products.

360 PRODUCT TOUR PRICE LIST

INTERACTIVE FLASH DEMO

Give your customers full control with an Interactive Flash Demo. Viewers can turn the 360-degree image with their mouse. We can also customize special tool bars to control the product's movement.

- Output: ShockWave Flash (.swf)
- Gives your viewers complete control of the product tour
- Ideal for Flash-enabled web sites
- Transparent background
